2. Between 1000 and 1430, 48 MiG-15s were counted at Deutsch Wagram airfield. These MiG-15s were parked in two rows, each row consisting of 24 MiG-15s. No air activity was observed. There was 4/10 overcast at an altitude of about 2,000 meters, intermittent sun, northwesterly wind of about 10/km/h, and good visibility. No preparations for the evacuation of the field could be observed.

Lean-to roofs were demounted in the camp at the forest edge near Hain Strasse at Strasshof military post. The same observations were made at the school in Deutsch Wagram military post. Eight fuel tanks of various sizes were seen at Deutsch Wagram railroad station. These tanks were partially covered by earth.
